Additional Information regarding Trail Woods –

Below is additional information usually communicated within the HOA. I wanted to point out, some of these items are not necessarily taking place in Trail Woods, it's just if they were to take place this is the information to reference.

Dog Barking and Leash Laws – The Association may correspond with a resident if a dog is barking, but the best thing to do is contact Animal Welfare or the Norman Action Center. The Action Center is 405-366-5332. The same for all pets being leashed located in the common areas.

2.2 Pets. Raising, breeding, or keeping animals, livestock, or poultry of any kind, except that a reasonable number of dogs, cats, or other usual and common household pets may be permitted in a Unit. However, those pets which are permitted to roam free, or, in the sole discretion of the Board, make objectionable noise, endanger the health or safety of, or constitute a nuisance or inconvenience to the occupants of other Units shall be removed upon the Board's request. If the pet owner fails to honor such request, the Board may remove the pet. Dogs shall be kept on a leash or otherwise confined in a manner acceptable to the Board whenever outside the dwelling. Pets shall be registered, licensed and inoculated as required by law;

Lawn Maintenance – Now that it is getting cooler and the grass isn't growing as fast, please make sure your lawn is winter ready; mowed, edged, and fall/winter weed control is applied. Also note when mowing, please avoid blowing grass clippings in the street. During the growth season, reference the text below pulled from the covenants:

Section 5 Maintenance and Repair. 5.1 Maintenance of Units.

Each Owner shall maintain such Owner's Unit, including all landscaping and improvements comprising the Unit, in a manner consistent with Trailwoods Governing Documents, Trailwoods-Wide Standard and all applicable covenants, unless, such maintenance responsibility is otherwise assumed by or assigned to the Association pursuant to any Supplemental Declaration or other declaration of covenants applicable to such Unit.

Street parking: Please try your best to park in your driveway (without blocking sidewalks). The below box is a section in the restrictive covenants referring to parking in Trailwoods.

2. Restrictions. The following activities are prohibited at Trailwoods unless expressly authorized by, and then subject to such conditions as may be imposed by, the Board:

2.1 Parking. Parking any vehicles on public or private streets or thoroughfares, or parking of commercial vehicles or equipment, mobile homes, recreational vehicles, golf carts, boats and other watercraft, trailers, stored vehicles, or inoperable vehicles in places other than enclosed garages; provided, construction, service and delivery vehicles shall be exempt from this provision for such period of time as is reasonably necessary to provide service or to make a delivery to a Unit or the Common Area;

Additional information regarding the city and parking continued next page:

Also, if a car is parked too close to the mailbox the, Postal Service may not deliver the mail.

Garbage Cans – Please try to have your trash cart put up the night of trash day. The City requires your trash cart to be put up the following day of trash collection. Also the covenants do require that cans be screened from view below:

What's going on in Trailwoods?

Tree Replacement Project in Common Areas –The HOA is currently flagging the dead trees in the common areas. From now until March, the HOA will replace dead trees in the common area.

Homeowner Tree Replacement – Communication will be sent out to all homeowners that have dead tree(s) or missing their tree(s) in their front yards. The HOA recommends using Marcum's Nursery as your tree provider. Marcum's is familiar with the area and know what trees do well in this environment. If homeowners fail to comply with the HOA guidelines, then enforcement will be applicable. Please remember to fill out a DRB form for trees outside the list we plan to provide.

HOA Contact & Accountability – Any homeowner from the Trail Woods HOA is always welcome to schedule an appointment with me to discuss HOA matters. For example, to view any funds that are spent and allocated as well as enforcement upon Trail Woods Community Covenants.

Lot Modification (DRB's) – If you would like to add a shed, shelter, new roof, or installing a pool. Please check your guidelines in the Governing Documents. Then you need to fill out a DRB form on the website.

Compliance and Enforcement – When the HOA makes note of a violation, written notice is sent out. If the homeowner fails to respond and not comply with the covenant and restrictions, then through procedural efforts the HOA eventually may impose monetary fines which shall constitute a lien upon the unit or take litigation measures on lot owner at owner's expense.
